

ASSESSMENT PRACTICES

We wish to inspire and support colleagues to:

- further their understanding and sharing of good assessment and evaluation practices;
- explore innovative and effective assessment methods that cater to diverse modes of learning.

Examples of themes:

- Washback
- Use of exemplars
- Feedback practices
- Assessment task design
- Peer feedback and assessment
- Developing rubrics and criteria
- Self-assessment and autonomy
- Tech tools in facilitating the feedback-giving process

Examples of activities:

- Our Reading Club “R+”: Read articles/papers and share ideas
- Talks delivered by external speakers
- Discussions to explore collaborative projects or small-scale classroom research opportunities
